

New Hampshire State (At-Fault) Minimum Required (*see note) Auto Insurance

BIL or Bodily Injury Liability - Covers expenses related to the injury or death of another driver or a pedestrian when an accident is your fault.

PDL or Property Damage Liability - Covers expenses related to the damage of another person's property—like vehicles, homes, buildings and other structures—when an accident is your fault.

UM/UIM or typically offered as “Uninsured Motorist Coverage.” - Covers medical expenses for you and your passengers; if you're injured in an accident, the other driver is at fault and either (1) doesn't have any insurance, (2) doesn't have enough insurance or (3) is a hit and run driver. (May include or separately list property damage coverage depending on the insurer.)

* NOTE : New Hampshire Motor Vehicle Laws do not require you to carry Auto Insurance, but you must be able to demonstrate that you are able to provide sufficient funds to meet New Hampshire Motor Vehicle Financial Responsibility Requirements in the event of an “at-fault” accident. The above are the minimum limits required if you don't meet the financial requirements to decline auto insurance or if you simply decide to get auto insurance.
